

ASHOKA GLOBALIZERS

NEWSWIRE.FM

JUNE 2012 NEWSWIRE.FM introduces Ashoka Globalizers, a 9 part series of in-depth conversations shot at the Munich 2012 Ashoka annual conference. Hosted by Matthew Bishop, the Ashoka Globalizers show is a platform aiming to motivate and enlighten people by bringing the most influential social innovators like Crescent Petroleum's Badr Jafar, Xing founder Lars Hinrichs, Prodea System's Anousheh Ansari and Esther Dyson to describe their investment strategies measured by performance of social capital and social change, implementing positive change in their respective industries.

Created by the Martine Dubin Company with original music by Dennis White, Ashoka Globalizers are real-life inspiring stories produced for young and old.

I am privileged to use my company as a vehicle for Ashoka to reach and inspire people about our business leaders' social success stories. We have social icons in this show, who continue to break the status quo Martine Dubin

I feel responsible disseminating these prominent social figures success story to inspire the viewers of all ages to start or support a social revolution Matthew Bishop

MATTHEW BISHOP (The Economist) is an award-winning journalist. His roles at The Economist have included Business Editor, Wall Street Editor, Globalization Editor and New York Bureau Chief. He is the author of several books, including *Philanthrocapitalism: How Giving Can Save the World* (described as "important" by President Bill Clinton); *The Road From Ruin. In Gold We Trust? The Future of Money In An Age Of Uncertainty*, and his *Economics: An A-Z Guide*.
