

**APRIL 2015** NEWSWIRE.FM & Martine Dubin Company are pleased to announce the continued collaboration with The Cleveland Clinic Arts and Medicine Institute.

After a successful year broadcasting the original series *ONE WORLD with Deepak Chopra* with celebrated guests including **Willem Dafoe, Celine Cousteau, Arianna Huffington, Diane von Fürstenberg, Donna Karan**, the **Arts and Medicine Institute** will continue providing Deepak Chopra's insightful and inspiring shows to the patients, caregivers, and families while in the hospital.

*ONE WORLD with Deepak Chopra* is offered on a 24/7 basis with it's own channel - Channel 104 - on all of the hospital flat screen platforms.

**Deepak Chopra** *My work has always focused on the relationship between physical healing and emotional wellbeing. Sharing ONE WORLD allows for a connection between the patients and their care providers. I am honored we partnered with The Arts and Medicine Institute and excited to continue our good work together.*

**Dr. Iva Fattorini, Chair of the Global Arts and Medicine Institute** *We are committed to enhancing the patient experience at the Cleveland Clinic through the arts. The impact of inspiring programs resonates with our patients and caregivers and coincides with our mission to put our patients first.*

**Martine Dubin, Founder & CEO of Martine Dubin Company** shares that *this initiative to team up with the Arts and Medicine Institute is a dream realized. By providing the ONE WORLD with Deepak Chopra' program to the Cleveland Clinic, we hope to add value to the patient experience.*

**ABOUT ARTS AND MEDICINE INSTITUTE** The Arts and Medicine Institute at the Cleveland Clinic strives to be the leading arts and medicine program in the country in the areas of music therapy, art therapy, visual arts, performing arts and research. By utilizing the power of art and creativity, our therapists continue to improve the emotional, mental and physical health of those they touch. The continued goal of the Arts and Medicine Institute is to build community around the arts, health and medicine.
